

Pocket Channel™

Helpful Hints

Congratulations on your purchase of Pocket Channel™. Anatek's Pocket Products™ are the ultimate in MIDI accessory convenience: compact, simple to use, and require no batteries or external power supply.

FEATURES

- Requires no batteries or AC adaptors
- In-line MIDI channel mapper
- Remaps multiple MIDI channels
- 16 possible channel assignments per MIDI channel
- Channel input filter
- Velocity switch mode
- Hands-free footswitch control (automatically adjusts to normally-open or normally-closed footswitches)
- "Transparent" operation (i.e. with the exception of MIDI channel, all MIDI data is passed unchanged)
- 'On-the-fly' switching between transparent and channelized modes
- Works with all Pocket Products™
- Compact and lightweight
- Can be used with Velcro or double-sided tape to attach Pocket Channel™ to a keyboard or to other Pocket Products™

APPLICATIONS

- Update MIDI controller to send on 2 or more channels simultaneously
- Channelize older synths that only receive in OMNI mode
- Rechannelize synths that do not receive on all 16 MIDI channels (i.e. Akai S-612 sampler, Roland JX-3P with channel 3 update, etc.)
- Free-up unused MIDI channels from modules that assign MIDI channels consecutively (i.e. Roland's MT-32)
- Velocity switch between 2 different samples or synths
- Velocity switch between two drum machines (both machines can share the same note assignments)
- Use Pocket Channel™ to remap channel assignments without changing sequencer data
- Channelize synths that only transmit on channel 1 (i.e. Yamaha DX-7)

OTHER PRODUCTS

Anatek's Pocket Product™ line includes: Pocket Merge™, Pocket Filter™, Pocket Pedal™, Pocket THRU™, Pocket Transpose™, Pocket Record™, Pocket Panic™, Pocket Split™, and Pocket Channel™ —with more Pocket Products™ to be released soon. LIMITED WARRANTY

Anatek Microcircuits Inc. warrants this product to be free from manufacturer's defects for a period of ONE YEAR from the date of purchase. This warranty is void if the unit is opened or tampered with, if the unit is immersed in any liquid, or if the unit is connected to any device that does not meet standard MIDI specifications. Should the product prove to be defective within the warranty period, Anatek shall repair or replace the unit at our election and sole expense (with the exception of shipping, which Anatek will pay one way). Anatek makes no other warranties, express or implied, including, but not limited to, any implied warranties of merchantability or fitness for a particular purpose. In no event shall Anatek be liable for loss of profits or benefits, indirect, special consequential or other similar damages arising out of any breach of this warranty or otherwise.
