# ULTRAPAR UP1200

Professional Die-Cast PAR Spotlight

- Professional spotlight with extremely high luminous efficiency and low power consumption
- Ideally suited for BEHRINGER 575H lamp or compatible models with G9.5 socket (lamp not included, available as accessory)
- Ultra-rugged, die-cast aluminum casing
- 4 glass lenses included: narrow spot, spot and 2 medium floods
- Highly reflective and polished reflector insert
- Color frame accepts standard color foils
- Compact dimensions for easy transport and handling
- Flexible mounting bracket allows precise positioning
- 3-Year Warranty Program\*
- Conceived and designed by BEHRINGER Germany

Your performance consists of so much more than just music; it includes every move and facial expression you make on stage – and if your audience can't see that, you are only giving them half of the show! Light up the night with the ULTRAPAR UP1200, and bring your performance into sharp, brilliant focus as never before.

## Enlightened Lighting

The UP1200 includes 4 custom-engineered glass lenses – narrow spotlight, spotlight and 2 medium floods. The color frame accepts standard color foils and gels, making the UP1200 an easy fit into your existing stage-lighting arsenal. The highly-polished reflector insert ensures the high-efficiency performance your show demands.

\*Warranty details can be found at [music-group.com](http://music-group.com).

## Built to Last

The incredible UP1200 spotlight is enclosed in ultra-rugged, die-cast aluminum casing designed to provide the ultimate in safety and functionality show after show. The UP1200's compact dimensions make it easy to transport and handle, plus it comes fitted with a highly-versatile mounting bracket for ultra-precise positioning.

## Value

The ULTRAPAR UP1200 provides the ultimate lighting solution for any venue, regardless of budgetary requirements. For highest-efficiency performance, and the unparalleled quality that will elevate your venue or act to the next level, the UP1200 is the brilliant, affordable way to ensure standing-room-only shows – night after night! Talk to your local BEHRINGER dealer, or place your order online today, and show your audience what they've been missing – the ULTRAPAR UP1200!

## You Are Covered

We always strive to provide the best possible Customer Experience. Our products are made in our own MUSIC Group factory using state-of-the-art automation, enhanced production workflows and quality assurance labs with the most sophisticated test equipment available in the world. As a result, we have one of the lowest product failure rates in the industry, and we confidently back it up with a generous 3-Year Warranty program.
